Driven by a problem solving mindset and fueled by curiosity, I always aspire to develop genuine solutions for the real-world, impactful problems.

EDUCATION

Budapest University of Technology and Economics (BME) Sep, 2025 – June, 2027
M.Sc. in Computer Science Engineering
Specialization: Data Science & Artificial Intelligence
Budapest, Hungary

National University of Mongolia (NUM) Sep, 2021 – June, 2025
B.Sc. in Applied Mathematics
GPA: 3.2/4.0 (rank 3/34)
Ulaanbaatar, Mongolia
Supervisor: [Galtbayar Artbazar](#)
Thesis: [Evaluating land degradation using image processing methods](#)

EXPERIENCE

Center of Mathematics Application Research Lab Oct, 2023 – June, 2025
Undergraduate Lab Lead & Research Intern

- **Administrative support:** Supported day-to-day lab operations by coordinating schedules, preparing weekly meetings, and following up with students and supervisors on action items.
- **Documentation & records:** Maintained organized project files, experiment notes, and internal documentation; ensured datasets and supporting materials were accurately versioned and easy to retrieve.
- **Excel & data tracking:** Recorded and validated research and operational data in structured spreadsheets; kept trackers up to date and shared concise progress updates with stakeholders.
- **Cross-team communication:** Worked closely with professors, students, and external collaborators, communicating clearly and promptly to keep administrative and project workflows on schedule.
- **Organization:** Responsible for laboratory data backup, file organization.

PROJECTS

Comparative EDA: Housing Affordability in Hungary vs Mongolia

- Performed end-to-end exploratory data analysis (EDA) on public datasets from the [Hungarian Central Statistical Office \(KSH\)](#) and [National Statistics Office of Mongolia](#) to determine: “How many m^2 of a new apartment could a monthly average net wage buy, by region and year?”
- Cleaned and standardized multi-source data, maintained clear tabular structures, and documented assumptions and steps to ensure traceability and reproducibility.

AWARDS

Stipendium Hungaricum Scholarship Sep, 2025 – Present

SKILLS

Languages: English (C1 [IELTS 8.0](#)), Mongolian (native)
Office & Data: Advanced MS Office (Excel, Word, PowerPoint), spreadsheet management, data entry, record keeping, document formatting
Administrative: Documentation management, archiving, communication, automation of backups
Digital Tools: Google Workspace, Git/GitHub, Linux, $\text{\LaTeX}$
